

PIANO IN COLOR

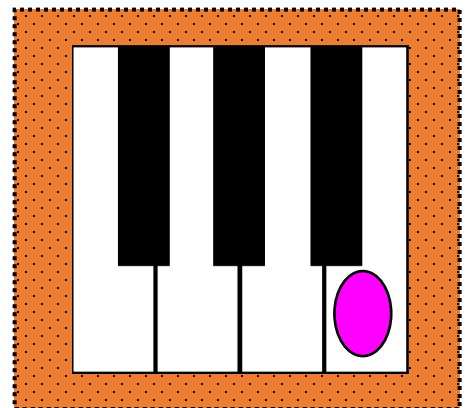

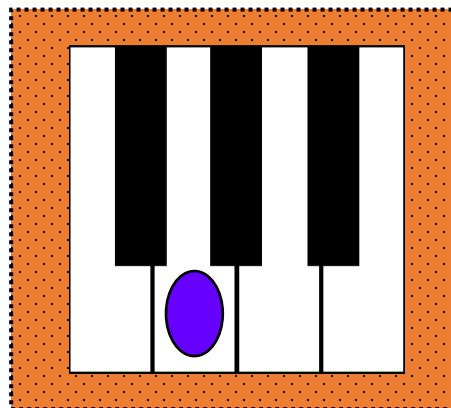

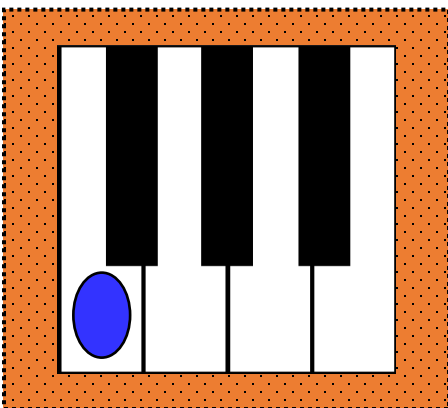

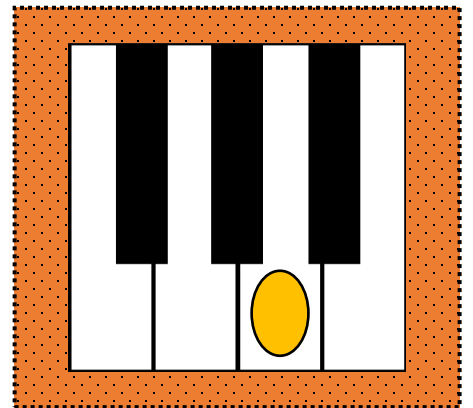

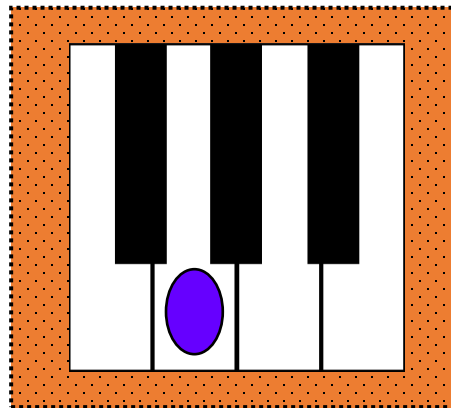

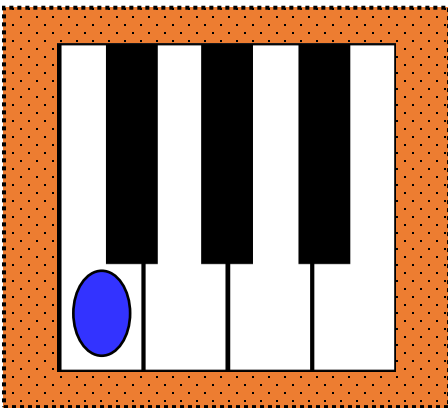

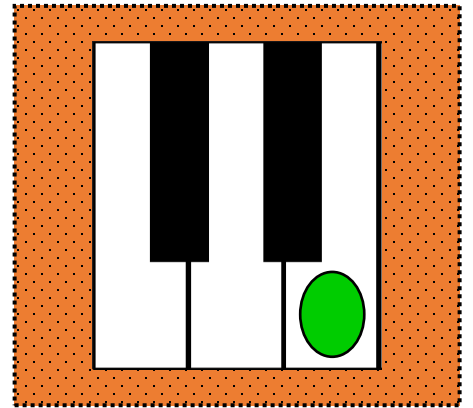

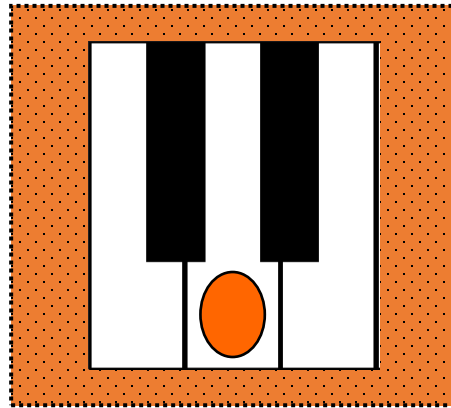

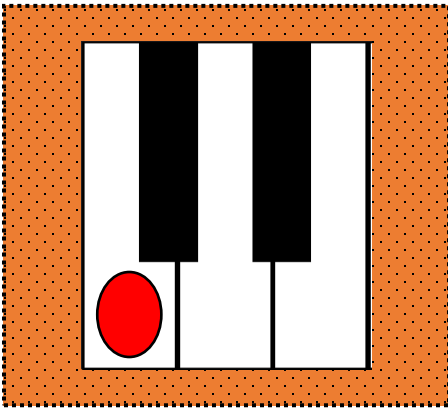

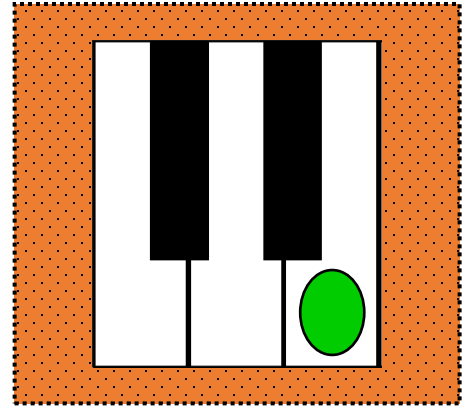

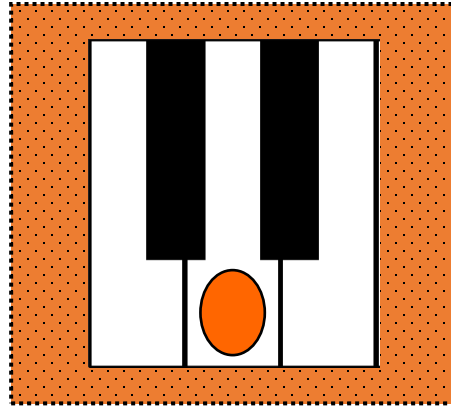

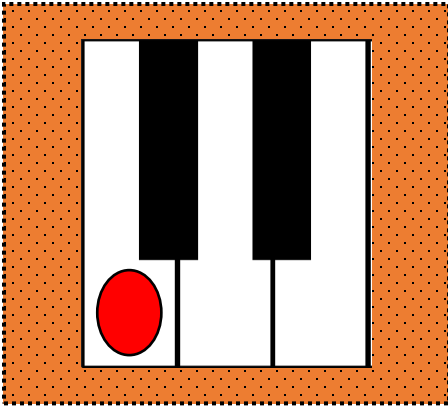

Flash Card Bundle

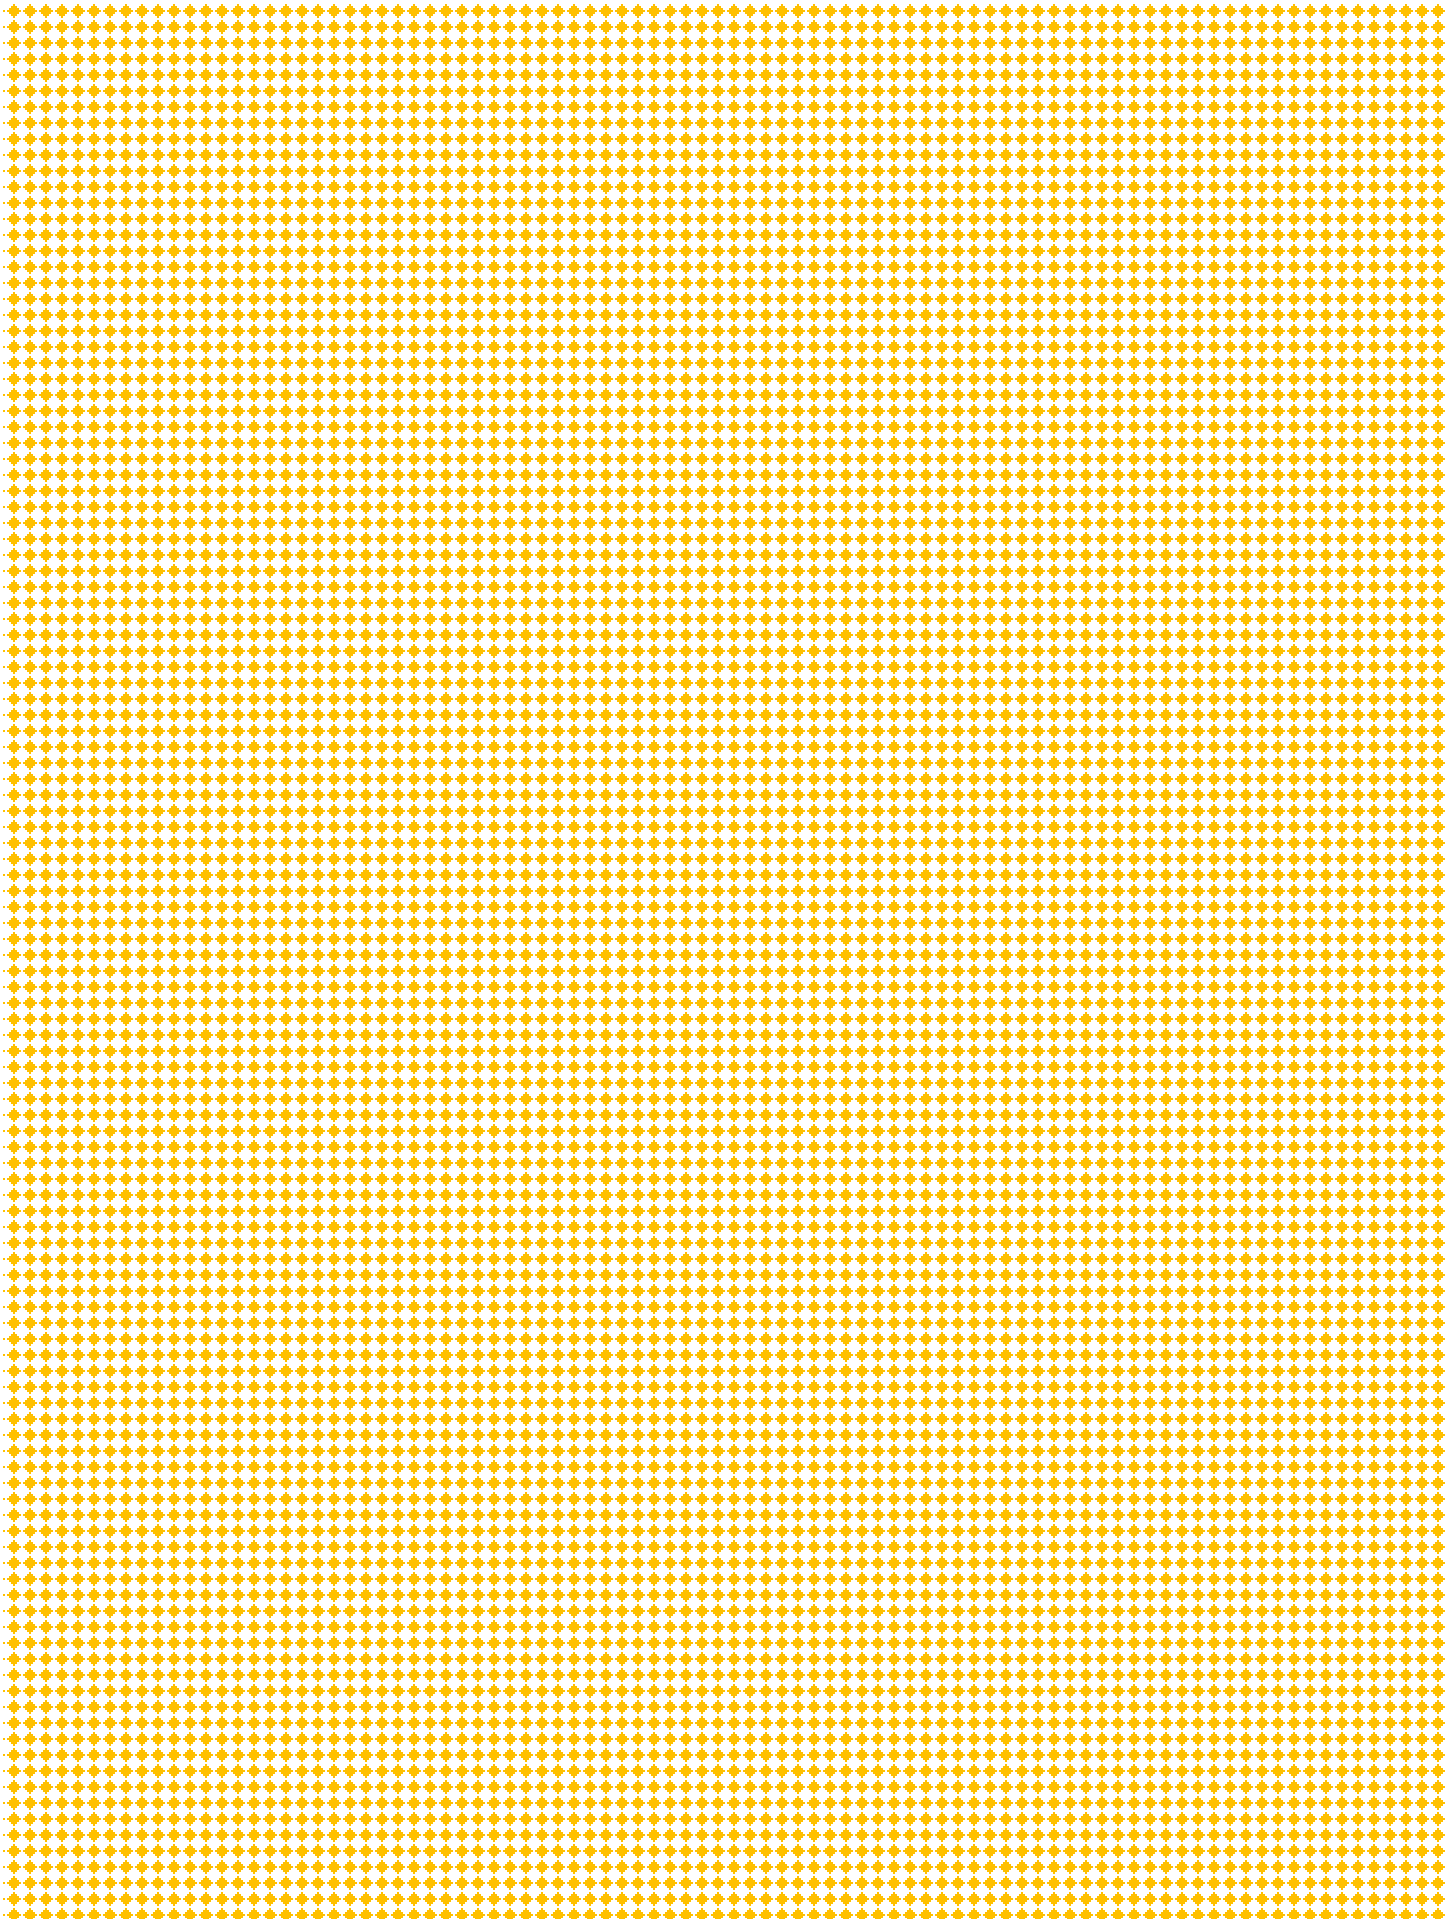

This bundle contains flash cards for use with the Color Piano PlayBook games. It's worth laminating these after cutting them out because the same cards are used on all the games. This bundle includes cards for:

- Keyboard Keys
- Alphabet Names
- Staff Notes

Pages 4, 6, 8 and 10 are included in case you wish to have a pattern on the back of the cards, in which case you should print double-sided.
