

**PIANO IN COLOR**

# LOSING WINNER

This game strengthens recognition of the piano keys and the notes on the staff.

You will need the following flash cards from the Piano In Color Flash Card Bundle

- **Staff-Notes** cards
- **Keyboard-Keys** cards

## HOW TO PLAY LOSING WINNER

- Shuffle all the cards together. Deal them equally between you and the student.
- Beginning with C, if either of you have any "C" cards, place them in the discard pile.
- Next, move on to "D" - if either of you have any "D" cards, place them in the discard pile.
- Continue through the music alphabet. The first one to lose all their cards is the winner.
